MARYLAND STATE DEPARTMENT OF EDUCATION OFFICE OF CHILD CARE MEDICATION ADMINISTRATION AUTHORIZATION FORM

Child Care Program: _

This form must be completed fully in order for child care providers and staff to administer the required medication. A new medication administration form must be completed at the beginning of each 12 month period, for each medication, and each time there is a change in dosage or time of administration of a medication.

- Prescription medication must be in a container labeled by the pharmacist or prescriber.
- Non-prescription medication must be in the original container with the label intact.

 An adult must bring the medication to the facility. 	Child's Picture (Optional

MEDICATION ADMINISTERED

Each administration of a medication to the child shall be noted in the child's record. Each administration of prescription or non-prescription to a child, including self-administration of a medication by a child, shall be noted in the child's record. Basic care items such as: a diaper rash product, sunscreen, or insect repellent, authorized and supplied by the child's parent, may be applied without prior approval of a licensed health practitioner. These products are not required to be recorded on this form, but should be maintained as a part of the child's overall record. Keep this form in the child's permanent record while the child remains in the care of this provider or facility.
